Alcatel Conference IP1850

Lead innovative conferences

- 4 detachable DECT microphones
- HD sound
- Full Duplex hands free
- Dynamic noise reduction
- 3 SIP accounts
- Wide interoperability

The background features several overlapping, semi-transparent orange rectangular planes that create a sense of depth and movement. These planes are arranged in a way that suggests they are receding into the distance. In the upper right corner, there is a cluster of small, orange, square-like shapes that appear to be breaking apart or dispersing, adding a dynamic and modern feel to the design.

Thank you for your attention !
