4-Line DECT Wireless Business System

XPS4100 (Main Console)

XPS410 (Cordless Deskset)

XPS41 (Cordless Handset)

The Right Wireless Business Phones for your Office

SET UP EASILY

With DECT wireless technology, just connect the Main Console (XPS4100) to up to 4 analog phone lines. Then register your cordless deskset(s) or handset(s) in seconds.

WORK FREE

The wireless handsets give you more freedom to move around. No need to plan your workstations around phone lines or Ethernet drops.

EXTEND MORE DEVICES IN OFFICE

With the Main Console (XPS4100), then add up to 9 more compatible cordless devices, including desksets and handsets.

ALWAYS STAY CONNECTED

With an auto attendant on each line, you will never miss a message. Customize call handling during office hours and after, making sure callers are automatically routed to the right extensions.

6 Party Conference

180-Minute Total
Recording Time

Headset connection

Full-duplex
speakerphone
